

# What On Earth...?

## Curriculum Newsletter

### Living Things

We will talk about different living things, especially jungle animals and read the story 'Monkey Puzzle'

### Pretty Things

We will talk about things that are pretty and look at our similarities and differences.

### Big Things

We will name different things that are big and link them to ourselves and growing up.

### Small Things

We will explore a range of small things, and look at seeds which start off tiny and grow bigger

### Old Things

We will talk about places children have visited and explore old/different instruments from around the world.

### New Things

Focus on the new things we all experience from a new toy to a new baby. How these things make us feel.
