## Lightning Speed

### Theme Overview

“Lightning Speed” is a thematic unit based around the history and development of the internet and World Wide Web, with a focus on computing. It primarily looks at how computers communicate, the importance of networks, how email works and how the internet enables collaboration.

### Maths

In Maths we are focusing on Place Value, looking at numbers up to 10,000.

### Literacy

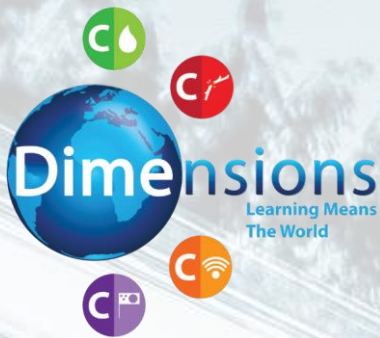

In English we will be focusing on our SPaG knowledge. Looking at how to use different conjunctions in our writing, up-leveiling our adjectives and verb choices and ensure we are using the correct punctuation.

### Art

In Art we will be exploring shape and pattern, creating designs for printing.

### Science

In Science we will be focusing on electricity: electrical appliances, circuits and both conductors and insulators.

Lightning Speed

## Music

In Music we are exploring different tempos: allegro and adagio, fast and slow.

## PSHE

In PSHE we will be looking at how to keep safe and how and where to get help.
